Thanks again for all your help with this dinner! I've just heard back from the lead on this that it was quite a success, and all guests truly enjoyed their experience at La Mar. I so appreciate your flexibility with all our requests, and am sure we will return for future client events.

// NATALIE, DAVIS

Thank you very much for offering us such a wonderful setting for our event. Everything turned out perfectly and we've received very positive feedback about the food, service and location.

If back in SF in the future we will definitely be coming back, but thanks for also letting us know about the associated locations across the US!

// RICK, AMPLITUDE

I would like to THANK YOU and the entire team at La Mar. The event was a huge success and the manager who spoke Japanese came down to make a little speech that was very well received. All of the staff were wonderful! The customers all raved about the food and the environment and of course the outstanding view. We were very lucky with the weather.

Our Vice President was so impressed that we would definitely like to book again for next year.

// ALICIA, PALO ALTO NETWORK GROUP

Once again you guys did it!

We have gotten nothing but super positive feedback and how on top of it you guys were! Food was even better this year (not sure how this is even possible because last year was also AMAZING! Y'all must have some magic) and drinks were perfect and tasty, staff members were on point with service and ambiance was beyond BEAUTIFUL! We also enjoyed having the windows open this year out on the patio thanks to the amazing weather SF had over the weekend.

Thank you again for hosting our party and making it magical! I really appreciate you guys and we'll definitely keep you guys in mind along with your other venues (we do have an office in Chicago so I'm going to propose the venue!) Thank you again!

// VANESSA, ZYNKA

We would love to thank and appreciate your team, especially Luis for making our graduation dinner so seamless, smooth, and special. All of our attendees had an amazing night, and we can't thank your team enough! Thank you for having us!

// TIFFANY, UCSF

Everything was amazing on Wednesday night, Enrique was attentive and took great care of the entire table. The rest of the staff was friendly, professional and really made the evening special and carefree. The food was delightful and exceeded expectations. Everyone was raving about the menu and I must say everything was perfect. I am so glad that we had a chance to virtually work together and **I will absolutely return next time I am in San Francisco.**

// JESSICA, LINKEDIN

**Great event last night –
your kitchen should be
winning awards.**

// SEAN, CALPINE CORPORATION

**Excellent setting. Wonderful menu.
Amazing amount of care and service
applied through the whole process.**

Appreciate your help and for
taking care of our group!

// ALI, GCI GC

Thank you so much to you and the team for a wonderful event! And yes, it far exceeded our expectations!

You were a delight to work with throughout, and I appreciate all your help in deciding on the menu, the setup for the event, etc. And the team setting up and serving were fantastic! The food was absolutely delicious and served very well, and right on time when I requested it at 7:45 pm. All delicious big bites and definitely filling. Plus, the empanada station was the station that kept giving! The Singapore Pisco Sours were a hit, and looked really festive as people came in. Plus we got so lucky with the weather. It even got too warm in the area, so we had to turn off the heaters! Definitely not what I had been expecting. All in all, everyone was incredibly happy with the event and with La Mar. I had many say that they would for sure come back there again. We would definitely do an event there again.

We had SUCH a great time!! Everyone is so professional and attentive. Our server went above and beyond with my lactose intolerance and brought me the most delicious lactose-free tapioca dessert in the end. **What a special touch!!** The food was beyond measure delicious. The ceviche, the empanadas, I mean - all of it. Yum! Thank you so much for making our very special evening so good. And thanks to Velvet for her help with the booking process - she was great. We will be back!
